***Consumer Advisory:** These items are cooked to order. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase risk of foodborne illness.

***Health Advisory:** The Illinois Department of Public Health advises that eating raw or under-cooked meat, poultry, eggs, shellfish or seafood poses a health risk to everyone, but especially to the elderly, young children under age 4, pregnant women and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness. For further information contact your local health department.
